On June 19th, the **22nd Annual Coley's Cause Memorial Golf Tournament** will be held at Poquoy Brook Golf Course in Lakeville, MA. Proceeds from the event will benefit **Coley's Cause Charitable Foundation** and the **Fanconi Cancer Foundation**. Our foundation is established in memory Nicole "Coley" Levine of Raynham, MA who passed away October 2004 at the age of six, after a 10-month battle with Leukemia. Her Leukemia was a direct result of a rare genetic disorder known as Fanconi Anemia. Nicole's spirited battle against these two horrific diseases both inspired and amazed her friends, family and community. Through this foundation, we are continuing Coley's fight with the same determination she so courageously displayed throughout her life and illness.

The Foundation's mission is to:

- **Raise desperately needed funds for the Fanconi Cancer Foundation** which serves as the single source of funding to facilitate critical research grants in support of learning more about the genetic pathway of FA, refining treatment protocols, and developing a potential cure.
- **Increase awareness of Fanconi Anemia**, enabling early diagnosis and treatment to prevent the devastating impact on the lives of the afflicted children and their families
- **Award annual memorial scholarships** to graduates of Bridgewater-Raynham Regional High School seeking to pursue a career in the field of medicine
- **Provide financial assistance to families** in need due to medical circumstances such as cancer or other hardships.

As a result of past contributions, the foundation has positively impacted the lives of patients, families, and aspiring students. Specifically, in our first 20 years we have:

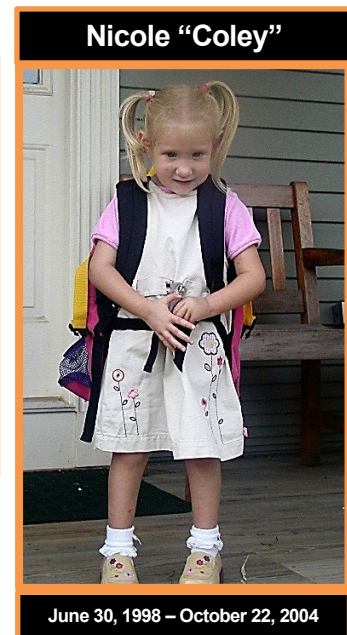

- Contributed **\$547,500** to the Fanconi Cancer Foundation,
- Granted **\$45,000** in College Scholarships, and
- Deployed **\$41,000** in Family Assistance for medical hardships

Driven by our everlasting memory and love for Nicole, we remain committed to our fundraising efforts to facilitate critical research & therapeutics, assist well-deserving students in the quest to achieve their educational goals and supporting local families in need.

Toward that end, we would very much appreciate your support in the form of tournament sponsorship per the attached Sponsorship Form. If you prefer, secure online donations can be processed on our tournament website, www.coleyscause.com.

On behalf of Nicole's family, and the courageous children waging battle with this horrible disorder, I thank you in advance for your support.

Sincerely,
